8	I like the e-mails and surveys, it's informative but the Coffee Shop option sounds kind of cool. It's a little more relaxed and would be "localized" for local issues.	3/17/2017 4:14 PM
9	Frankly, I think you do a really good job, Steve. I could probably do without the slick mailers. They just go in the recycle bin and I assume they're not cheap for you. If there's an opt-out on receiving them, I'm unaware of it. If opting out means opting out of all mailed communication, though, I'd rather receive and recycle. :)	3/17/2017 8:40 AM

11	I like the idea of a meeting focused on a narrow number of issues, so I could attend one(s) most meaningful to me. Thank you for asking!	3/16/2017 7:53 PM

15	I, like everyone, struggle with information over load. I find I commit to actions which increases the amount of information that comes to me. So I guess my ask is to be patient when I miss a request, and perhaps am not as visibly supportive as I should be.	3/16/2017 7:49 AM

20	I enjoy the email updates.	3/15/2017 8:04 PM
21	Any meeting is good - Renton is best. I enjoy the email updates - I don't think weekly is necessary. Once a month is fine, to me, but more often is good as things arise. Thank you for having regular communication with your community - you are a legislator/advocate. So many others only email when it's near election time - to me, that's a politician. We appreciate you being there for citizens.	3/15/2017 6:35 PM
22	Email, newsletters, facebook	3/15/2017 6:29 PM
23	I know you won't be happy until you get it all. Stop wasting our money. I am tired of this socialist state government.	3/15/2017 6:15 PM

25	Regular email updates and occasional local town hall meetings.	3/15/2017 5:29 PM
26	Really like the surveys and also reading the comments other people have left in past surveys. Thank you for sharing those!	3/15/2017 5:09 PM
