State Representative Liz Berry

36th Legislative District • *Supporting Washington Families*

Representing the Seattle neighborhoods of Belltown, South Lake Union, Queen Anne, Magnolia, Interbay, Phinney Ridge, Ballard, and Greenwood

Dear friends and neighbors,

I am profoundly grateful for the opportunity to serve as your state representative in Olympia.

We took historic steps this session to support vulnerable communities, build and acquire more affordable and transitional housing, provide relief for small businesses, expand food assistance, boost public health, invest in public education and pass a transformational transportation package to make meaningful, targeted action against climate change.

My five bills that passed this session advance workers' rights and protect Washington families. As the former legislative director to Congresswoman Gabby Giffords, ending gun violence is personal to me. I am proud the Legislature passed my bill to ban untraceable, homemade 'ghost guns' as well as other critical gun safety measures including a ban on high-capacity magazines. Gun violence is preventable, and I won't stop fighting to keep our communities safe.

But none of this would have been possible without your continued engagement. Thank you for trusting in me to serve the 36th legislative district.

In service,

Liz Berry
